WELCOME TO OUR FIRST NEWSLETTER**MESSAGE FROM NIALL**

As the first term of Westport ETNS draws to an end, I would like to thank you all for the tremendous support we have received since the school opened its doors on 29th August 2019. It has been a truly memorable term. A school is only a school with children in it. Otherwise it's just a building. And all 8 of our children have created a really happy, healthy and safe school environment where learning is respected and fun. So let's hear it for the 8 Superstar Junior Infants of Westport ETNS. Hip Hip - Hooray!

THE PUPIL VOICE

Alife: "I like coming to school because of Golden Time". "I love all the reading and writing".

Juliet: "I like playing with the dolls!"

Connie: "I like playing with the play-doh". "Going to school is fun but it's also important to learn". "I like to do sounds with Genevieve and to read books with Niall".

James: "My favourite thing to do is the number games"

Zara: "I like Golden Time and construction", "I like reading and writing".

Aaron: "I like this school because it's nice"

Amelia: "It's good because there's lots of things to play"

Kairan: "I like Westport ETNS because there's loads of playthings. My favourite toy is the football". "My favourite thing to play with is the polydrons, because I can build things and sleep in them!". "I love everything in this school"

DAY TRIP

As part of Our Town theme this term, we walked into town to explore and examine our own lovely town of Westport. We looked at churches, supermarkets, schools, library, shops, hotels and restaurants! We even had a snack in the lovely restaurant The Pantry and Corkscrew, with thanks to Dermot & Janice. The children really enjoyed their restaurant experience. As the weather was turning, we got a taxi back to school, to end our adventure.
