A Word from Niall

We are halfway through our first term and time really does fly when you are having fun! It has been great getting to know our new pupils and families and we hope you all feel welcome in our Westport Educate Together community. In these strange times it can be challenging communicating with parents so remember to continue to monitor the Seesaw app for all the news from your class. Our 1st class children started homework this term and they seem to be progressing really well in this regard. We welcome any feedback about how your child is coping with homework. Infant class reading will commence in the period after the midterm break. I wish you all a fun-filled but safe Halloween break. Try not to eat too many sweets and see you all in November!
